

Dr. Michael E. Nurenberg
Medical Director

Dr. Michael E. Nurenberg, M.D. is the Medical Director for Carrollton Regional Dialysis Center. He joined Dallas Nephrology Associates in 2007, and sees patients in Irving, Farmer's Branch and Carrollton. He has been treating patients in the dialysis community since 2005.

Carla Cancel
BSN, RN
Clinic Manager

Carla Cancel, BSN, RN, is the Clinic Manager for ARA Carrollton Regional Dialysis Center. She has 12 years of experience in dialysis. During those years, she has become an expert in Compliance and Regulations. Her main goal is to provide the safest environment possible for the patients she serves. Her positive personality brings joy to her staff, and promotes a healthy working environment.

American Renal Associates
is proud to be partnering with
Dallas Nephrology Associates.

Directions to our facility:

Carrollton Regional Dialysis Center is conveniently located in Carrollton, Texas, on Interstate 35. We are just past Beltline Road on the East side of I-35.

From Downtown Dallas:

Take N I-35 and exit Beltline Road. We will be on the right side of I-35 just past Beltline Road.

From Denton/Lewisville:

Take S I-35 and exit Beltline Road. Turn left onto Beltline and take another left onto the I-35 frontage road heading back North. We will be on the right side of I-35 just past Beltline Road.

What Makes This a Special Place?

- Carrollton Regional Dialysis Center is designed, equipped, and staffed to provide you the Ultimate Dialysis Experience.
- We put the clinical and operational decisions into the hands of our experienced physicians and staff; the skilled, dedicated members of our interdisciplinary team providing direct care to you.
- We provide in-center dialysis, and offer home dialysis through our “sister” clinic in Irving. Our goal is to meet the needs of all our dialysis patients.
- We are supported by the operations expertise of American Renal Associates, one of the largest dialysis providers in the U.S.

Designed to Ensure Optimal Delivery of Care

Our outpatient facility is equipped with:

- Latest Fresenius manufactured 2008T dialysis machines
- State-of-the-art water treatment and delivery systems
- Heated massage dialysis chairs to help relieve back discomfort
- iPad entertainment systems
- Individual patient flat screen TVs with Direct TV programming
- Wireless Internet for patient access
- DVD player available
- Comfortable spacious facility
