## *What Makes This a Special Place?*

- Green Oaks Dialysis Center is designed, equipped, and staffed to provide you the Ultimate Dialysis Experience.
- We put the clinical and operational decisions into the hands of our experienced physicians and staff; the skilled, dedicated members of our interdisciplinary team providing direct care to you.
- We provide in-center dialysis, with home dialysis options to meet the needs of all our dialysis patients. Feel free to discuss these options with your physician.
- We are supported by the operations expertise of American Renal Associates, one of the largest dialysis providers in the U.S.

## *Designed to Ensure Optimal Delivery of Care*

### **Our outpatient facility is equipped with:**

- Latest Fresenius manufactured 2008T dialysis machines
- State-of-the-art water treatment and delivery systems.
- Heated massage dialysis chairs to help relieve back discomfort
- iPad entertainment systems
- Individual patient flat screen TVs with Direct TV programming
- Wireless Internet for patient access
- DVD player available
- Comfortable spacious facility

## *Discover Our Unique Focus on People*

- We customize your care to meet your personal needs with your medical needs.
- We are committed to providing outstanding services allowing our patients to remain as independent as possible.
- We are dedicated to working with patients, as well as their families, to create the ultimate wellness experience.
- We are physician-driven and our staff is highly committed to providing exceptionally high quality patient care.
