What Makes This a Special Place?

- Regional Dialysis Center of Lancaster is designed, equipped, and staffed to provide you the Ultimate Dialysis Experience.
- We put the clinical and operational decisions into the hands of our experienced physicians and staff; the skilled, dedicated members of our interdisciplinary team providing direct care to you.
- We provide in-center dialysis and offer home dialysis through our “sister” clinic a few minutes away in DeSoto. Our goal is to meet the needs of all our dialysis patients.
- We are supported by the operations expertise of American Renal Associates, one of the largest dialysis providers in the U.S.

Designed to Ensure Optimal Delivery of Care

Our outpatient facility is equipped with:

- Latest Fresenius manufactured 2008T dialysis machines
- State-of-the-art water treatment and delivery systems
- Heated massage dialysis chairs to help relieve back discomfort
- iPad entertainment systems
- Individual patient flat screen TVs with Direct TV programming
- Wireless Internet for patient access
- DVD player available
- Comfortable spacious facility

Discover Our Unique Focus on People

- We customize your care to meet your personal needs with your medical needs.
- We are committed to providing outstanding services allowing our patients to remain as independent as possible.
- We are dedicated to working with patients, as well as their families, to create the ultimate wellness experience.
- We are physician-driven and our staff is highly committed to providing exceptionally high quality patient care.
